City of Delray Beach
Attn.: City Engineer
434 S. Swinton Avenue
Delray Beach, FL 33444

Date Application Received: _____
Received By: _____

Primary Contact Information

Each request must provide a contact person who lives on the requested street within the study boundary. The contact person will receive all correspondence and be responsible for gathering evidence of support when requested.

Name _____ Email Address _____ Daytime Phone Number _____

Street Address _____ Cell Phone Number _____

Specify the Location and Concerns

Please provide the name of the street to be considered (requested street). Indicate the boundaries of the street segment by cross street (from and to). Consideration will be given for only that described. Complete additional applications for other street segments.

Your Street _____ From Cross Street _____ to Cross Street _____

The City's Traffic Calming Program addresses cut-through traffic and speeding on residential streets. Feel free to provide more detailed information about concerns on your street:

Neighborhood Petition

Requests for a traffic calming study, which are usually volume and speed related, can be requested through one of the following:

Homeowners Association - a study may be initiated once the City Manager receives a petition signed by at least one member of sixty-six percent (66%) of the households facing the block(s) of the street on which the Traffic Calming Study is requested.

Non-public safety project- requests will require an application fee of $100.

Public Safety or City Staff - a study may be initiated because of an identified public safety issue.

I understand this request for placement of temporary speed hump(s) will be processed in the order received.

I agree to be the contact person for the above request.

Signature of Applicant _____ Date _____
