

DELRAY BEACH

Delray Beach Fire-Rescue Department
501 West Atlantic Ave
Delray Beach, Fl. 33444

Residents of Delray Beach, Highland Beach and Gulfstream.

Thank you for your interest in taking the Community Emergency Response Team (CERT) Training Program.

The CERT training program consists of eight weeks of instruction in disaster preparedness. Team members learn basic medical operations, light search and rescue, disaster fire suppression and many other useful skills.

In the event of an emergency CERT graduates have the knowledge and ability to support themselves, their families and their communities before, during and after a disaster until emergency responders arrive.

The information acquired from the CERT program is invaluable, since a disaster could occur at any time.

Please complete the attached application and bring it with you the first night of class. Since 9/11, a background check is required prior to acceptance into our program.

If you have any questions or need more information, please contact Lillian Gallego at (718) 749-2863 or email liliangallego@gmail.com

Sincerely,

Lillian Gallego
CERT Program Assistant
