

BARWICK ROAD - TPA LOCAL INITIATIVES GRANT APPLICATION - FY 2022 CYCLE

PROPOSED TYPICAL SECTION #1: Barwick Road from North of Lake Ida to North of Canal

DRAFT

EXISTING TYPICAL SECTION

NOTES:

- 1 Remove existing 8' asphalt shared use path
- 2 Remove existing guardrail
- 3 Build new 10' shared use path adjacent to east utility poles or right-of-way line
- 4 Reduce lane widths to 10.5' for traffic calming
- 5 Build raised landscape island pinchpoints 80' long at 80' intervals
- 6 Build 5' sidewalk on west side near right-of-way line leaving existing landscape border in place
- 7 Widen existing 72" CMP culvert at LWDD L-31 canal to accommodate shared use path on east side. No widening on west side.
- 8 Install countdown pedestrian signal at Lake Ida Road
