

BARWICK ROAD - TPA LOCAL INITIATIVES GRANT APPLICATION - FY 2022 CYCLE

PROPOSED TYPICAL SECTION #2: Barwick Road from North of Canal TO South Sabal Lakes Road

EXISTING TYPICAL SECTION

SCOPE NOTES:

- 1 Remove existing 8' asphalt shared use path
- 2 Remove existing guardrail
- 3 Build new 10' shared use path adjacent to east utility poles, leaving existing landscaping in place
- 4 Reduce through-lane widths to 11' for traffic calming
- 5 Do not limit access in vicinity of 5 private homes on west side. No raised median construction in this area.
- 6 Build 6' sidewalk on west side starting at edge-of-pavement so that swales remain behind S/W and existing landscaping can remain.
