

BARWICK ROAD - TPA LOCAL INITIATIVES GRANT APPLICATION - FY 2022 CYCLE

PROPOSED TYPICAL SECTION # 3: Barwick Road from South Sabal Lakes Road to North Sabal Lakes Road

DRAFT

EXISTING TYPICAL SECTION

SCOPE NOTES:

- 1 Remove existing 8' asphalt shared use path
- 2 Remove existing guardrail
- 3 Build new 10' shared use path adjacent to east utility poles, leaving existing landscaping in place
- 4 Reduce lane widths to 11' for traffic calming
- 5 Build raised medians in place of painted medians.
- 6 Build 6' sidewalk on west side starting at edge-of-pavement so that swales remain behind S/W and existing landscaping can remain.
- 7 Move pedestrian cross-walk to intersecion at North Sabal Lakes Road.
- 8 Extend northbound right turn lane to provide additional storage.
