Jackie Ramirez is a certified business consultant assisting clients with strategic planning, business development and communications. She is an experienced speaker, group facilitator, and leadership coach.

ABOUT OUR WORKSHOP

Delray Beach Community Redevelopment Agency's (CRA) many funding resources and opportunities available to businesses – whether it's a new business opening a location for the first time, or an experienced business looking to expand. The CRA's goal is to support redevelopment projects, commercial property improvements, and businesses throughout the CRA District.

The Florida Small Business Development Center (SBDC) at Florida Atlantic University (FAU) offers high-level consulting and training to small and medium-sized businesses in Broward and Palm Beach Counties. Learn about their no-cost consulting services, and funding resources to help you start and grow your business.
