**PUBLIC NOTICE**

**RE: WATERFORD PLACE LAND USE MAP AMENDMENT**

Pursuant to the Land Development Regulations of the City of Delray Beach, you are hereby notified that the **PLANNING AND ZONING BOARD**, acting as the Local Planning Agency, will conduct a **PUBLIC HEARING** on **MONDAY, JULY 18, 2022 at 5:01 PM** to consider and make a recommendation to the City Commission on Ordinance No. 15-22, a City-initiated Land Use Map Amendment (LUMA) from Transitional (TRN) to General Commercial (GC) in correction of a data conversion error for a 4.58± acre parcel located within the Waterford Place / Delint DRI Special Activities District (SAD) and fully described in Ordinance No. 15-22. (see map below).

The requested amendment from TRN to GC for the subject property is related to a data conversion error recently identified by City Staff. In 2016, the City switched from utilizing AutoCAD to using Geographic Information Systems (GIS) for its mapping software; the land use designation of these parcels was inadvertently changed to TRN from GC. The GC land use designation was applied to the property on December 14, 2010 with the adoption of Ordinance No. 17-10, as a privately initiated amendment. Therefore, the proposed amendment corrects the mapping error by returning the designation of the parcels to GC.

Additional information on the request can be found on the "Development Projects" page under the Development Services Department at [www.delraybeachfl.gov](http://www.delraybeachfl.gov).
