Engineering Plan Review Requirements

DEMOLITION

To allow a smooth and timely approval of your application, please provide the following information at the time of submittal:

- Provide survey indicating proposed demolition.
- Please submit a pollution prevention plan (silt fence highlighted and indicated around and at the property line with any other environmental control devices needed) on a civil plan, site plan, and/or survey presently submitted per LDR 4.6.17 and provide 2 copies. The city details (D 11.0 thru D 13.0) can be found online at: <https://www.delraybeachfl.gov/government/city-departments/public-works/city-standards-and-details>
- Please note any damage to the city's right of way, not limited to and including alleys, sidewalks, and streets will be the sole responsibility of the permittee to repair or replace at the discretion of the city.
- Please wait for all departments to comment before delivering corrections to prevent delays in processing your application.
