The U.S. Department of Housing and Urban Development (HUD) requires that an Annual Action Plan for the City of Delray Beach be proposed, then adopted by the City Commission and approved by HUD, before the City can receive Community Development Block Grant (CDBG) funds. The Program Year includes \$463,999 in CDBG funds available on October 1, 2023, for the fourth year of the City's 2020-2024 Five-Year Consolidated Plan. The primary objective of the CDBG program is the development of viable urban communities characterized by the provision of decent housing, a suitable living environment, and expanding economic opportunities for individuals/households of low- to moderate-incomes. Each CDBG activity must specifically address one of the following national objectives: 1. to benefit low- to moderate-income households; 2. to aid in the prevention or elimination of slum or blight; 3. to meet community development needs having a particular urgency. The City CDBG entitlement for FY 2023-24 has been categorized by the following proposed objectives:

Owner Occupied Housing Rehabilitation	
<b>PUBLIC SERVICE</b>	\$ 69,599
