

***Please return form to the site coordinator on, or before, the day of the cleanup. To submit forms before the cleanup, please contact the volunteer coordinator (Site Manager) listed at www.keepPBCbeautiful.org.

International Coastal Cleanup Volunteer Registration

Event Location: Sandoway Discovery Center, Delray Beach
Cleanup Date: Sept. 14, 2024

Thank you for participating in the International Coastal Cleanup! Your participation is an integral part of our efforts to keep Palm Beach County beautiful. Please take a moment to complete this volunteer registration. We will not distribute or release any information provided on this form.

The undersigned volunteer does hereby release and discharge Keep Palm Beach County Beautiful, Inc., its officers, directors, and employees, from any and all claims, demands, losses, costs, expenses, suits, damage, obligations, liabilities, causes of action and judgments whatsoever, in law or in equity, which the undersigned volunteer may have arising out of, or in connection with, participation in the event. The undersigned volunteer does hereby assume any and all risks of personal injuries, including death and damage or loss to property, caused by or arising out of the participation in the event.

The undersigned volunteer does hereby give permission to be photographed by the event organizers or news media for any manner of publication including, but not limited to, newspaper or events sponsors' newsletters or websites.

***The undersigned volunteer understands and will adhere to the volunteer guidelines listed below.

Name of Organization if participating with a group _____

Name _____ Email _____

Address _____ City/State/Zip _____ Telephone _____

VOLUNTEER GUIDELINES AND AGREEMENT

- ◆ Please make sure you sign in at the registration table when you arrive and receive the necessary materials to do the cleanup.
- ◆ Volunteers may be working in sunny, hot, wet and dirty conditions and, in some cases, areas where there is heavy brush. It is strongly recommended that you wear protective clothing (check with your Site Manager for recommendations), closed-toe shoes such as old sneakers, and hats for sun protection. Insect repellent and sunscreen are also strongly recommended.
- ◆ Remove litter during daylight hours only.
- ◆ All trash should be left at the locations designated by the Site Manager. If using bags, make sure they are securely tied when full and placed for pick up.
- ◆ No consumption of intoxicating liquids, beverages, or illegal drugs will be allowed during the clean up or other community activity. For safety reasons, do not pick up litter while on bicycles, skateboards, or hover boards.
- ◆ Wear gloves and use caution when picking up sharp objects. **Watch out for broken glass and metal.**
- ◆ **Do not pick up any type of hypodermic needles or other hazardous waste such as paint, used motor oil, tar balls, automobile batteries, etc. Note location and report it to Site Manager.**
- ◆ Do not lift anything too heavy. Report location of large debris such as motors and appliances.
- ◆ **Do not approach large drums. They may contain hazardous wastes; even vapors can be harmful. Leave the drum and report its location to Site Manager.**
- ◆ Avoid suspected hazardous substances or areas where herbicides were recently applied.
- ◆ Avoid areas where snakes, fire ants, jellyfish, crabs or other dangerous species may be located. If you encounter domestic animals the best policy is to avoid them and leave them alone. Do not attempt to handle injured marine animals/birds. Report their location to your Site Manager.
- ◆ We encourage you to be a Citizen Scientist and use the Clean Swell app (free download for IOS and Android phones) to record cleanup data for collection by the Ocean Conservancy.
- ◆

THANK YOU FOR CONTRIBUTING TO THE CARE OF OUR ENVIRONMENT!

I, the undersigned, agree to the above and the waiver of liability.
