City Seeks Public Input for Infrastructure Improvements Second of two hearings requesting public input

The City of Delray Beach is requesting public input regarding infrastructure improvements for the City's Annual Infrastructure Improvement Hearing. Public input is requested on potential infrastructure needs or deficiencies throughout the city such as sidewalks, street improvements, drainage issues, etc. The public input provided on needed improvements helps guide the Capital Improvements Plan (CIP), which is a 5-year schedule of capital improvements in Delray Beach with a cost of \$25,000 or more. The CIP for Fiscal Years 20-25 is available on the City's [website](#).

The first hearing to initiate this process was held on Monday, February 22, 2021. The second hearing will be held at the Planning and Zoning Board's virtual meeting on **Monday, April 19, 2021**, at 6:00 pm. The hearing will be conducted as the first item of the regularly scheduled Planning and Zoning Board (acting as the Local Planning Agency) meeting. Pursuant to Executive Order 20-69, during the COVID-19 State of Emergency, Advisory Board meetings may be held virtually. Members of the public wishing to view Advisory Board meetings should log into the City's website, <https://www.delraybeachfl.gov/i-want-to/watch/city-meetings>, where the meeting will be live-streamed for the public.

Public input may be provided prior to the Annual Infrastructure Hearing to the Development Services Department at pzmail@mydelraybeach.com or during the hearing. Following the presentation, the Board will take a recess during which time public input can be provided by dialing (561) 243 - 7556 and leaving a voicemail message. All messages will be played during the meeting and made a part of the public record. Messages must include the caller's full name, address, and a comment no longer than 3 minutes. After the recess, comments from the public will be played into the record for the Board's consideration. All public comments must be addressed to the Board as a body and not to individual Board members or staff. Personal verbal attacks upon Board members and/or staff will not be tolerated. Members of the public shall refrain from making comments that are impertinent, obscene, personally insulting, defamatory, or slanderous remarks.
