My signature below verifies the above information is correct and that I understand and/or will comply with the following:

- I am currently employed by the City and I have not entered the Deferred Retirement Option Plan ("DROP").
- I may purchase up to three (3) years of active service in the U.S. armed forces or previous full-time employment as a firefighter with another governmental entity prior to my employment with the City to add to my City continuous service.
- I am not receiving nor am I eligible to receive benefits from another retirement plan based on my previous service at the above-listed Governmental Agency/Military Branch.
- I am responsible for payment of the full actuarial cost of the purchased Governmental Agency/Military Branch service to the City of Delray Beach Firefighters' Retirement System ("Retirement System").
- I will pay the \$450 fee to the Retirement System to calculate the actuarial cost of the Governmental Agency/Military Branch service purchase.
- The Government Agency/Military Branch service I purchase will not be added to my City service until payment for such purchase has been paid in full.
- I will provide proof of the Government Agency/Military Branch service on the form provided by the City. Credit for such service will not be granted without this proof.
- If I leave the City's employ before attaining five (5) years of City continuous service, I will receive a full refund of all payments made toward the Government Agency/Military Branch service purchase plus interest.
- If I elect to add to my City continuous service by purchasing Government Agency/Military Branch service, such additional continuous service will be for pension purposes only; it will not alter or affect any other City benefit.

My signature below further verifies that I have received a copy of City Ordinance Number 33.74.
